Plumas-Sierra Rural Electric Cooperative 2017 PSREC Irrigation Efficiency Program Terms and Conditions

Terms and Conditions:

Replacement components must be permanently installed on electric pumps associated with a PSREC meter. Maximum Irrigation Efficiency Program rebate per year is \$2,000 per meter and \$4,000 per member. Funding approved for this Program is limited and will be paid on a first-come, first-served basis to qualified members. Funds will only be reserved upon application approval. This rebate offer is subject to the availability of authorized funds and qualified retrofits. All rebates are subject to verification of installation. This program expires on December 31, 2017. PSREC reserves the right to determine eligibility for the PIE rebate program.

PSREC will provide *custom* rebates for pump bowl/impeller rewind, retrofit or replacement and other actions taken involving the pumping system's improved overall efficiency when pre and post retrofit pump tests are conducted to verify efficiency improvement. Motors must be retrofitted to the original nominal efficiency values. Rebate will be calculated by annual energy savings, up to \$500.

$$\text{Rebate} = \$0.05 / \text{kWh} \times \text{Annual kWh} \times (\text{pre-post improvement efficiency})$$

The following are Terms and Conditions between PLUMAS-SIERRA RURAL ELECTRIC COOPERATIVE (PSREC) and you, the "APPLICANT".

I, the Applicant, agree to the following terms and conditions:

1. The information I have supplied and included with this Application is true, correct and complete.
2. I certify that this pumping system is currently operational and receiving PSREC electric service.
3. I am a PSREC member in Plumas, Sierra, Lassen or Washoe County on rate schedule Commercial and Small Power Service 200, 210 and 920; Medium Power Service 300 and A2; or Power Agriculture Service 600, 610, 970 or 971.
4. PSREC MAKES NO REPRESENTATION OR WARRANTY, NOR ASSUMES ANY LIABILITY WITH RESPECT TO QUALITY, SAFETY, PERFORMANCE OR OTHER ASPECT OF ANY DESIGN, SYSTEM OR EQUIPMENT INSTALLED OR REPAIRED PURSUANT TO THIS AGREEMENT; AND IT EXPRESSLY DISCLAIMS ANY SUCH REPRESENTATION, WARRANTY OR LIABILITY. APPLICANT AGREES TO INDEMNIFY PSREC, ITS EMPLOYEES AND CONTRACTORS AGAINST ALL LOSS, DAMAGE, EXPENSE, FEES, COSTS AND LIABILITY ARISING FROM ANY SYSTEM RECOMMENDATIONS OR EQUIPMENT INSTALLED.
5. I agree to release PSREC, agents and employees from all claims, demands, losses, damages, costs, expenses and liability (legal, contractual or otherwise), which arise from or are in any way connected with any: (1) injury to or death of persons, including but not limited to employees of PSREC, Applicant or any third party; (2) injury to property or other interests of PSREC, Applicant or any third party; (3) violation of local, state or federal common law, statute or regulation, including but not limited to environmental laws or regulations; (4) energy savings shortfall; so long as such injury, violation or shortfall (as set forth above) arises from or is in any way connected with the Project, including any third party's performance of or failure to perform the Project, however caused, regardless of any strict liability or negligence of PSREC or said entities' officers, managers or employees.
6. I certify that I will disclose in writing if any other grant, incentive, rebate or service from a utility, state or federal government-sponsored program has been, or will be, received in connection with the equipment purchased and installed under this contract. I authorize PSREC to receive any and all information about me, or related to me, that PSREC deems sufficient from any other energy efficiency program in order to verify this.
7. I have read and understand the terms and conditions on this Application and agree to abide by the rules, requirements and terms set forth on this Application.
