BYLAWS FOR PLUMAS-SIERRA RURAL ELECTRIC COOPERATIVE

September 2017

ARTICLE I
MEMBERSHIP

SECTION 1.01. Eligibility. Any natural person, firm, association, corporation, business trust, partnership, Federal agency, state or political subdivision thereof, or body politic (each hereinafter referred to as “person,” “applicant,” “them” or “theirs”) shall be eligible to become a member of, and, at one or more premises owned or directly occupied or used by them, to receive electric service from, Plumas-Sierra Rural Electric Cooperative (hereinafter called the “Cooperative”). No person shall hold more than one membership in the Cooperative.

SECTION 1.02. Application for Membership; Renewal of Prior Application. Application for membership — whereby the applicant agrees to purchase electric power and energy from the Cooperative and to be bound by and to comply with all of the other provisions of the Cooperative’s Articles of Incorporation and Bylaws, and all rules, regulations, rate classifications and rate schedules established pursuant thereto, as all the same then exist or may thereafter be adopted or amended (the obligations embraced by such agreement being hereinafter called “membership obligations”) — shall be made in writing on such form as is provided therefore by the Cooperative. With respect to any particular classification of service for which the Board of Directors shall require it, such application shall be accompanied by a supplemental contract, executed by the applicant on such form as is provided therefore by the Cooperative. The membership application shall be accompanied by the membership fee provided for in Section 1.03 (together with additional payment, if any), shall be paid by the member of each additional service connection requested by the member, but no additional membership fee shall be required for additional services.

SECTION 1.03. Membership fee; Service Security and Facilities Extension Deposits; Contribution in Aid of Construction. The membership fee shall be $5.00. The membership fee shall be fixed from time to time by the majority vote of the members at a meeting of the members. The membership fee (together with additional payment, if any), shall entitle the member to one service connection. A service connection deposit or fee, in such amount as shall be prescribed by the Cooperative (together with additional payments, if any), shall be paid by the member of each additional service connection requested by the member, but no additional membership fee shall be required for additional services.

SECTION 1.04. Joint Membership. Two or more individuals, by specifically so requesting in writing, may be accepted into joint membership or, if one of them is already a Member, may automatically convert such membership into a joint membership by jointly executing another membership application. The terms “member,” “applicant,” “person,” “their” and “them,” as used in these Bylaws, shall include two or more individuals applying for or holding a joint membership, unless otherwise clearly distinguished in the text; and all provisions relating to the rights, powers, terms, conditions, obligations, responsibilities and liabilities of membership shall apply equally, severally and jointly to them. Without limiting the generality of the foregoing –

a) The presence at a meeting of either or all shall constitute the presence of one member, and a joint waiver of notice of the meeting;

b) The vote of either or all shall constitute, respectively, one joint vote; PROVIDED, if all be present but in disagreement on such vote, each shall cast only one-half (1/2) vote. If more than two individuals are on the account, they will decide amongst themselves who will receive the 1/2 votes;

c) Notice to, or waiver of notice signed by, either or all shall constitute, respectively, a joint notice or waiver of notice;

d) Suspension or termination in any manner of either or all shall constitute suspension or termination of the joint membership;

f) None will be permitted to have any additional service connections except through their one joint membership unless such already existed as an individual membership prior to creation of the joint membership.

SECTION 1.05. Acceptance into Membership. Upon complying with the requirements set forth in Section 1.02, any applicant shall automatically become a member on the date of their connection for electric service; PROVIDED; the Cooperative may deny an application and refuse to extend service upon its determination that the applicant is not willing or is not able to...
satisfy and abide by the Cooperative’s terms and conditions of membership or that such application should be denied for other good cause.

SECTION 1.06. Purchase of Electric Power and Energy; Power Production by Member; Application of Payments to All Accounts. The Cooperative shall use reasonable diligence to furnish its members with adequate and dependable electric service, although it cannot and therefore does not guarantee a continuous and uninterrupted supply thereof; and each member, for so long as such premises are owned or directly occupied or used by them, shall purchase from the Cooperative all central station electric power and energy purchased for use on all premises to which electric service has been furnished by the Cooperative pursuant to their membership, unless and except to the extent that the Board of Directors may in writing waive such requirement; and shall pay therefore at the times, and in accordance with the rules, regulations, rate classifications and rate schedules (including any monthly minimum amount that may be charged without regard to the amount of electric power and energy actually used) established by the Board of Directors, and if in effect, in accordance with the provisions of any supplemental contract that may have been entered into as provided for in Section 1.02. Production or use of electric energy on such premises, regardless of the source thereof, by means of facilities which shall be interconnected with the Cooperative facilities, shall be subject to appropriate regulations as shall be fixed from time to time by the Cooperative. Each member shall also pay all other amounts owed by them to the Cooperative as and when they become due and payable. When the member has more than one service connection from the Cooperative, any payment for service to them by the Cooperative shall be deemed to be allocated and credited on a pro rata basis to their outstanding accounts for all such service connections, notwithstanding that the Cooperative’s actual accounting procedures do not reflect such allocation and proration.

SECTION 1.07. Excess Payments to be Credited as Member-Furnished Capital. All amounts paid for electric service in excess of the cost thereof shall be furnished by members as capital, and each member shall be credited with the capital so furnished as provided in Article IX of these Bylaws.

SECTION 1.08. Wiring of Premises; Responsibility Therefore; Responsibility for Meter Tampering or Bypassing and for Damage to Cooperative Properties; Extent of Cooperative Responsibility; Indemnification. Each member shall cause all premises receiving electric service pursuant to their membership to become and to remain wired in accordance with the specifications of the National Electric Code, of any applicable state code or local government ordinance, and of the Cooperative. If the foregoing specifications are variant, the more exacting standards shall prevail. Each member shall be responsible for – and shall indemnify, defend and hold harmless the Cooperative and its employees, agents and independent contractors against death, injury, loss, or damages, judgments, liabilities, settlements, costs and expenses, including reasonable attorneys’ fees, resulting from or in any way related to any defect in or improper use or maintenance of such premises and all wiring and apparatus connected thereto or used thereon. Each member shall make available to the Cooperative a suitable site, as determined by the Cooperative, whereon to place the Cooperative’s physical facilities for the furnishing and metering of electric service and shall permit the Cooperative’s authorized employees, agents and independent contractors to have safe access thereto for meter reading and bill collecting and for inspection, maintenance, replacement, relocation, repair or disconnection of such facilities at all reasonable times. As part of the consideration for such service, each member shall be the Cooperative’s bailee of such facilities and shall accordingly desist from interfering with, impairing the operation of or causing damage to such facilities, and shall use their best efforts to prevent others from so doing. Each member shall also provide and maintain at their sole expense such protective devices to their premises, apparatuses or meter base as the Cooperative shall from time to time require in order to protect the Cooperative’s physical facilities and their operation and to prevent any interference with or damage to such facilities. In the event such facilities are interfered with, impaired in their operation or damaged by the member, or by any other person when the member’s reasonable care and surveillance should have prevented such, the member shall indemnify the Cooperative and its employees, agents and independent contractor against death, injury, loss or damage resulting therefrom, including but not limited to the Cooperative’s cost of repairing, replacing or relocating any such facilities and its loss, if any, of revenues resulting from the failure or defective functioning of its metering equipment. The Cooperative shall, however, in accordance with its applicable service rules and regulations, indemnify the member for any overcharges for service that may result from a malfunctioning of its metering equipment or any error occurring in the Cooperative’s billing procedures. In no event shall the responsibility of the Cooperative extend beyond the point of delivery.

SECTION 1.09. Member to Grant Easements to Cooperative and to Participate in Required Cooperative Load Management Programs. Each member shall, upon being requested so to do by the Cooperative, execute and deliver to the Cooperative grants of easement or right-of-way over, on and under such lands owned or leased by or mortgaged to the member, and in accordance with such reasonable terms and conditions, as the Cooperative shall require for the furnishing of electric service to them or other members or for the construction, operation, maintenance or relocation of the Cooperative’s electric facilities. Each member shall participate in any required program and comply with related rates and service rules and regulations that may be
established by the Cooperative to enhance load management, more efficiently
to utilize or conserve electric energy or to conduct load research.

ARTICLE II
Membership Suspension and Termination

SECTION 2.01. Proposed Suspension, Expulsion or Termination;
Reinstatement. Whenever a member shall become in default in paying any
amounts theretofore billed to and due and payable by them or in failing to
comply with any other membership obligation, the Cooperative shall cause
such member to be duly notified of the default at least fifteen (15) days prior
to suspending, expelling or terminating the member therefore, specifying
the facts constituting the default. The notice shall also apprise the member
of their right to be heard on the matter, orally or in writing, not less than five
(5) days before the proposed effective date of such suspension, expulsion or
termination, by one or more persons authorized by the Cooperative to affirm,
to revoke, to extend the effective date of, or to condition or qualify the
proposed suspension, expulsion or termination. If the Cooperative so notifies
the member by mail, it shall be by first-class or registered mail, postmarked at
least fifteen (15) days prior to the effective date of the proposed suspension,
expulsion or termination. Payment of all amounts due the Cooperative,
including any additional charges required for late payment, and/or cessation
of any other noncompliance with their membership obligations or satisfaction
of the matter otherwise, within the time limit provided in such notice, or as
may otherwise be extended and/or agreed to by the Cooperative and such
member, shall revoke, abate or extend the effective date of the proposed
suspension, expulsion or termination, in which event the member shall
continue to be entitled to receive electric service from the Cooperative and
to vote at the meetings of its members.

SECTION 2.02. Termination by Expulsion; Renewed Membership.
Upon the failure of a member to correct their default in accordance with the
provisions of Section 2.01, they may, without further notice, be summarily
disconnected from service and may be expelled by resolution of the Board
of Directors. After expulsion of a member, they may not again become a
member except upon new application therefore as provided in Section 1.02
and 1.05; but the Board of Directors, acting upon principles of general
application in such cases, may establish such additional terms and conditions
for renewed membership as it determines to be reasonably necessary to assure the applicant’s compliance with all their membership obligations.

SECTION 2.03. Termination by Withdrawal in Good Standing. A
member may withdraw in good standing from membership upon such
generally applicable conditions as the Board of Directors shall prescribe and
upon either (a) ceasing to or, with the approval of the Board of Directors,
resigning their membership in favor of a new applicant who also shall own or
directly occupy or use all premises being furnished electric service pursuant
to their membership, or (b) except when the Board of Directors specifically
waives such condition, abandoning totally and permanently the use of central
station electric service on such premises.

SECTION 2.04. Termination by Death or Cessation of Existence;
Continuation of Membership in Remaining or New Partners. The death
of a natural person member shall automatically terminate their membership.
The cessation of the legal existence of any other type of member shall
automatically terminate such membership; PROVIDED, upon the dissolution
for any reason of a partnership, or upon the death, withdrawal or addition of
any individual partner, such membership shall continue to be held by such
remaining and/or new partners as continue to own or directly to occupy or use
the premises being furnished electric service pursuant to such membership,
in the same manner and to the same effect as though such membership had
never been held by different partners: PROVIDED FURTHER, neither a
withdrawing partner nor their estate shall be released from any debts then
due the Cooperative by the partnership.

SECTION 2.05. Effect of Termination. Upon the termination in any
manner of a person’s membership, they or their estate, as the case may be,
shall be entitled to refund of their membership fee (and their service security
deposit, if any, theretofore paid to the Cooperative), less any amounts due
the Cooperative; but neither they nor their estate, as the case may be, shall
be released from any debts or other obligations then remaining due the
Cooperative. Notwithstanding the suspension or expulsion of a member, as
provided for in Sections 2.01 and 2.02, such suspension or expulsion shall
not, unless the Board of Directors shall expressly so elect, constitute such
release of such person from their membership obligations as to entitle them
to purchase from any other person any central station electric power and
energy for use at the premises to which such service has theretofore been
furnished by the Cooperative pursuant to such membership.

SECTION 2.06. Effect of Death, Legal Separation or Divorce upon
a Joint Membership. Upon the death of an individual who is part of a
joint membership, such membership shall continue to be held solely by
the survivor(s), in the same manner and to the same effect as though such
membership had never been joint; PROVIDED, the estate of the deceased
individual shall not be released from any debts due the Cooperative. Upon
the legal separation or divorce of the holders of a joint membership, such
membership shall continue to be held solely by the individual(s) who
continues directly to occupy or use the premises covered by such membership,
in the same manner and to the same effect as though such membership had never been joint; PROVIDED, the other individual(s) shall not be released from any debts due the Cooperative.

SECTION 2.07. Board Acknowledgment of Membership Termination; Acceptance of Members Retroactively. Upon the termination of a person’s membership for any reason, the Board of Directors, so soon as practicable after such termination is made known to it, shall by appropriate resolution formally acknowledge such termination, effective as of the date on which the Cooperative ceased furnishing electric service to such person. Upon discovery that the Cooperative has been furnishing electric service to any person other than a member, it shall cease furnishing such service unless such person applies for, and the Board of Directors approves, membership retroactively to the date on which such person first began receiving such service, in which event the Cooperative, to the extent practicable, shall correct its membership and all related records accordingly.

ARTICLE III
Meetings of Members

SECTION 3.01. Annual Meeting. The annual meeting of the members shall be held each year at such time and place within a California or Nevada county served by the Cooperative, and beginning at such hour, as the Board of Directors shall from year to year fix for the purposes of electing directors, hearing and passing upon reports for the previous fiscal year, and transacting such other business as may properly come before the meeting. It shall be the responsibility of the Board of Directors to make adequate plans and preparations for and to encourage member attendance at the annual meeting. Failure to hold the annual meeting at the designated time and place shall not work a forfeiture or dissolution of the Cooperative.

SECTION 3.02. Special Meetings. Special meetings of the members may be called by resolution of the Board of Directors, by the President, or upon a written request signed by any three directors or by five (5%) percent or more of the members, and it shall thereupon be the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided in Section 3.03. Special meetings of the members may be held at such place within one of the California or Nevada counties served by the Cooperative, on such date and beginning at such hour as shall be designated by them or those calling or requesting the same; PROVIDED, if such meeting is called or requested by one or more persons other than the Board of Directors, it shall be held not sooner than thirty-five (35) nor later than ninety (90) days after receipt by the President, by the Vice President or by the Secretary of the call or request, and shall be duly noticed to the members accordingly; PROVIDED FURTHER, if such notice is not given within twenty (20) days after receipt of such call or request, they or those so calling or requesting may give the notice.

SECTION 3.03. Notice of Member Meetings. Written or printed notice stating the place, date and time of the meeting, stating the general nature of the business to be transacted at the meeting and that no other business may be transacted thereat except the adjournment of the meeting to a subsequent date and hour and to the same or another place, shall be delivered by any reasonable means to each member of record on the date of the notice not less than ten (10) days if mailed first class or not less than twenty (20) days if otherwise mailed (or not less than thirty-five (35) days if so required by the two provisions in Section 3.02) nor more than ninety (90) days before the date of the meeting, by the Secretary or, in the event of their default in this duty, by and under the direction of them or those calling or requesting the meeting. Reasonable means of providing such notice shall include but not be limited to United States mail, personal delivery, the Cooperative’s monthly newsletter, or member service billings. No matter which, the Board, at the time of mailing the notice, intends to present to the meeting for action shall be acted upon at any meeting of the members unless notice of such matter shall have been contained in the notice of the meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the member at their address as it appears on the records of the Cooperative, with postage thereon prepaid and postmarked at least the minimum above-required days before the meeting date. In making such computation, the date of the meeting shall not be counted. The incidental and non-intended failure of any member to receive such notice shall not invalidate any action which my be taken by the members at any such meeting, and the attendance in person of a member at any meeting of the members shall constitute a waiver of notice of such meeting unless such attendance shall be for the express purpose of objecting to the transaction of any business, or one or more items of business, on the grounds that the meeting shall not have been lawfully called or convened. Any member attending any meeting for the purpose of making such objection shall notify, in writing, the Secretary prior to or at the beginning of the meeting of their objection.

SECTION 3.04. Quorum. Business may not be transacted at any meeting of the members (“Member Meeting”) unless two hundred (200) or more Cooperative members attend the meeting (“Quorum”), For purposes of a Member Meeting, a Quorum exists if prior to the Member Meeting being called to order (“Commencement”), the number of Cooperative members who personally attend the meeting, regardless if they remain present at Commencement, plus the number of mail-in votes received prior to Commencement is equal to or greater than 200 Cooperative members. Only action items stated in the noticed agenda will be considered at any Member
Meeting unless at least 200 Cooperative members are physically present when action is sought on an item not stated in the agenda. If the number of Cooperative members present at the meeting plus the number of mail-in votes received prior to Commencement fails to establish a Quorum, then the Member Meeting shall adjourn and will be rescheduled for another time and date forty-five (45) days later, to be conducted at a location in either California or Nevada served by the Cooperative. If the Member Meeting is rescheduled, the Secretary shall notify all Cooperative members of the rescheduled time, date and place of Member Meeting in the manner required under Section 3.03. At all Member Meetings, regardless whether a Quorum was present, the Secretary shall append to the meeting’s minutes, and incorporate therein by reference, a list of those Cooperative members who personally attended the meeting.

SECTION 3.05. Voting. Each person who is a member on the record date fixed by the Board of Directors (which date shall not be less than ten (10) days prior to the member meeting date) and who is not in a status of suspension, as provided for in Section 2.01, shall be entitled to one vote and no more upon each matter submitted to a vote at a meeting of the members. Voting by members other than members who are natural persons shall be allowed upon the presentation to the Cooperative, prior to or upon registration at each member meeting, of satisfactory evidence entitling the person presenting the same to vote. At all meetings of the members, all questions shall be decided by a majority of the members voting thereon, except as otherwise provided by law or by the Cooperative’s Articles of Incorporation or these Bylaws. Members may not cumulate their votes or vote by proxy or, except as may be authorized by the Board of Directors, by mail or other written balloting whereby members may vote without being present in person at a member meeting.

SECTION 3.06. Credentials and Election Committee. The Board of Directors shall, at least ten (10) days before any meeting of the members, appoint a Credentials and Election Committee consisting of three (3) Cooperative members who are not employees, agents, officers, directors or known candidates for director, and who are not close relatives (as hereinafter defined) or members of the same household thereof. In appointing the Committee, the Board of Directors shall have regard for the equitable representation of the several areas served by the Cooperative. The Committee shall elect its own chairman and secretary prior to the member meeting. It shall be the responsibility of the Committee to establish or approve the manner of conducting member registration and any ballot or other voting, to pass upon all questions that may arise with respect to the registration of members in person, to count all ballots or other votes cast in any election or on any other matter, to rule upon the effect of any ballots or other vote irregularly or indecisively marked or cast, to rule upon all other questions that may arise relating to member voting and the election of directors (including but not limited to the validity of petitions of nomination, the qualifications of candidates and the regularity of the nomination and election of directors), and to pass upon any protest or objection filed with respect to any election or other matter voted upon by the members or to conduct affecting the results on any election or other voting. In the exercise of its responsibility, the Committee shall have available to it the advice of legal counsel provided by the Cooperative. Any such protest or objection shall be filed in writing, during or within three (3) business days following the adjournment of the meeting in which the voting is conducted. The Committee shall thereupon be reconvened, upon notice from its chairman, not less than seven (7) days after such protest or objection is filed. The Committee shall hear such evidence as is presented by the protestor(s) or objector(s), who may be heard in person, by counsel, or both, and any opposing evidence; and the Committee, by a vote of a majority, shall, within a reasonable time but not later than thirty (30) days after such hearing, render its decision, the result of which may be to affirm an election or other matter voted upon, to change the outcome thereof, or to set it aside. The Committee may not affirmatively act on any matter unless a majority of the Committee is present. The Committee’s decision on all matters covered by this Section shall be final, subject only to a contrary holding by a court, and the report or certificate of its decision shall constitute prima facie evidence of the facts stated therein.

SECTION 3.07. Order of Business. The order of business at the annual meeting of the members and, insofar as practicable or desirable, at all other meetings of the members shall be essentially as follows:

1) Report on the number of members present in person in order to determine the existence of a quorum;
2) Reading of the notice of the meeting and proof of the due giving thereof, or of the waiver or waivers of notice of the meeting, as the case may be;
3) Reading of unapproved minutes of previous meetings of the members and the taking of necessary action thereon;
4) Presentation and consideration of reports of officers, directors and committees;
5) Election of directors;
6) Unfinished business;
7) New business; and
8) Adjournment.

9) Notwithstanding the foregoing, the Board of Directors may from time to time establish a different order of business for the purpose of fixing an earlier or later consideration of and action upon any item of business the transaction of which is necessary or desirable in such
changed order; PROVIDED, no business other than adjournment of the
meeting to another time and place may be transacted until and unless
the existence of a quorum is first established.

ARTICLE IV

Board of Directors

SECTION 4.01. Number and General Powers. The activities and affairs
of the Cooperative shall be managed by a board of seven (7) directors, which
shall exercise, or direct the exercise of, all of the powers of the Cooperative
except such as are by law or by the Cooperative’s Articles of Incorporation
or Bylaws conferred upon or reserved to the members.

SECTION 4.02 Qualifications. No person shall be eligible to become or
remain a director of the Cooperative who is a close relative of an incumbent
director or of an employee of the Cooperative, or is not a member of the
Cooperative and receiving service therefrom at their primary residential
abode; PROVIDED, the operating or chief executive of any member that is
not a natural person entity, or their designee, shall, notwithstanding that they
do not receive service from the Cooperative at their primary residential abode,
be eligible to become a director from the directorate district in which such
member is located if they or such designee (1) is in substantial permanent
occupancy, direction or use of the premises served by the Cooperative, and
(2) is a permanent and year-round resident within, or within ten (10) miles
of the outer boundaries of the Cooperative’s certified service area. BUT
PROVIDED FURTHER, no more than one (1) such person may serve on the
board of directors at the same time. No person shall be eligible to become or
remain a director of, or to hold any other position of trust in, the Cooperative
who is not at least eighteen (18) years of age or is in any way employed
by or substantially financially interested in a competing enterprise, or a
business selling electric energy or supplies to the Cooperative, or a business
substantially engaged in selling electrical or plumbing appliances, fixtures or
supplies primarily to the members of the Cooperative. Notwithstanding the
foregoing provision of this section treating with close relative relationships,
no incumbent director shall lose eligibility to remain a director or to be re-
elected as a director if, during their incumbency as a director, they become
a close relative of another incumbent director or of a Cooperative employee
because of a marriage or adoption to which they were not a party.

Upon establishment of the fact that a nominee for director lacks eligibility
under this section, it shall be the duty of the Board of Directors to withhold
such position from such person, or to cause them to be removed therefrom,
as the case may be. Also, the office of a director shall automatically become
vacant if they miss as many as three (3) regular meetings of the Board of
Directors during any twelve (12) consecutive such meetings, unless the
remaining directors unanimously resolve that (1) there was good cause for
such absences and (2) such cause shall not likely result in such absences
during the ensuing twelve (12) consecutive regular board of directors
meetings. Nothing contained in this section shall, or shall be construed to,
affect in any manner whatsoever the validity of any action taken at any
meeting of the board of directors unless such action is taken with respect to
a matter that is affected by the provisions of this section and in which one
or more of the directors have an interest adverse to that of the Cooperative.

SECTION 4.03. Election. At each annual meeting of the members, directors
shall be elected by secret written ballot by the members and, except as
provided in the first provision of section 4.02 of these Bylaws, from among
those members who are natural persons; PROVIDED, when the number
of nominees does not exceed the number of directors to be elected from
a particular directorate district, and if there is no objection, secret written
balloting may be dispensed with in respect of that particular election and
voting may be conducted in any other proper manner. Directors shall be
elected by a plurality of the votes cast unless the members in advance of any
balloting resolve that a majority of the votes cast shall be required to elect,
and this Bylaw provision shall be drawn to the attention of the members and
explained to them prior to any balloting. Drawing by lot shall resolve, where
necessary, any tie vote.

SECTION 4.04. Tenure by Directorate Districts. (a) Subject to subsection
(b) of this Section 4.04, directors shall be so nominated and elected
that, beginning with the first annual member meeting after 1988 that
implementation of this subsection (a) may commence, one (1) director from
or with respect to each of Directorate Districts Nos. 2 and 5 shall be elected
for three-year terms; at the succeeding year’s annual member meeting, one
(1) director from or with respect to each of Directorate Districts Nos. 4 and
7 shall be elected for three-year terms; and at the succeeding year’s annual
member meeting, one (1) director from or with respect to each of Directorate
Districts Nos. 1, 3 and 4 shall be elected for three-year terms; and so forth.
Upon their election, directors shall, subject to the provisions of these Bylaws
with respect to the removal of directors, serve until the annual member
meeting of the year in which their terms expire or until their successors shall
have been elected and qualified. If for any reason an election of directors
shall not be held at an annual meeting of the members duly fixed and called
pursuant to these Bylaws, such election may be held at an adjournment of
such meeting or at a subsequently held special or the next annual meeting of the members. Failure of an election for a given year shall allow the incumbents whose directorships would have been voted on to hold over only until the next member meeting at which a quorum is present and they or their successors shall be elected, whichever be the case.

(b) The requirements for Directorate District representation provided for in subsection (a) of this Section 4.04 shall be phased into being only in such years, to such extent and in such manner as shall not preclude either the continued service for the remainder of their term or the eligibility for re-election to a new three-year term immediately following the expiration of their term of a person who shall be an incumbent of the Board of Directors after the election of directors at the 1988 annual member meeting. It shall be the duty of the Committee on Nominations from year to year to make such determinations and to establish such plans and procedures as may be necessary and appropriate to implement such phasing in of Directorate District representation; PROVIDED, if the Committee nominates one or more candidates for a directorship other than or in addition to but in competition with an incumbent who except for this subsection (b) would not be eligible for re-election, the person(s) so nominated by the Committee shall be eligible to serve in accordance with the plan of Directorate District representation; AND PROVIDED FURTHER, with respect to such nominations made from the floor of member meetings, it shall be the duty of the presiding chairman to assure that such nominees are similarly eligible for election.

SECTION 4.05. Directorate Districts. (a) The territory served by the Cooperative shall be divided into seven (7) Directorate Districts. Subject to the provisions of Section 4.04, each District shall be represented by one director. The Directorate Districts shall be as described in Appendix A of the Bylaws.

(b) Every year, not less than ninety (90) days prior to the date on which the annual member meeting shall be scheduled, the Board of Directors shall review the Districts. If it determines that the boundaries should be altered so as to correct any substantially inequitable factors, such as the comparative numbers of members located in the Districts or the nature and size of the geographic areas enclosed within the Districts, the Board of Directors shall change District descriptions. The Board of Directors shall cause such changes to be noticed in writing to the members not less than ten (10) days prior to the date on which the Committee on Nominations for the next annual member meeting shall first convene, and such notice shall also inform the members of the names, addresses and telephone numbers of the members of the Nominating Committee and of the date, hour and place of that Committee’s first meeting. From and after the date of notice of changes, these Bylaws shall have been effectively amended accordingly, except that such District descriptions may also be changed by amendment of these Bylaws by the members from time to time in order to ensure equitable representation of the Board of Directors.

PROVIDED, any change so made by action of the Board of Directors shall be in full force and effect until at least the completion of the election of directors at the annual meeting of the members first held in accordance with such changes effectuated by the Board of Directors; AND PROVIDED FURTHER, no such change, whether effectuated by the Board of Directors or by the members, shall become effective so as to expand the term of an incumbent director or compel the vacancy of any director’s office prior to the time their term would normally expire unless they consent thereto in writing.

SECTION 4.06. Nominations. (a) Each year, it shall be the duty of the Board of Directors to appoint, no less than ninety (90) days prior to the date of the annual member meeting, a Committee on Nominations, consisting of seven (7) members of the Cooperative, who are not existing Cooperative employees, agents, officers, directors or known candidates for director or close relatives or members of the same household thereof, and who are so selected that each of the Cooperative’s seven (7) Directorate Districts shall have one (1) representative thereon. The Committee, no less than sixty (60) days prior to the date of the member meeting, shall meet and shall prepare and post at the principal office of the Cooperative a list of its nominations for directors to be elected, listing separately the nominees with respect to each Directorate District from which a director must or may, pursuant to this article, be elected at the meeting. The Committee may include more than one nominee for each directorate to be filled by the election. Any thirty (30) or more members of the Cooperative, acting together, may make additional nominations by petition in writing over their signatures, signed no more than eleven (11) months prior to the date of the ensuing annual member meeting at which directors are to be elected. Such petition shall list such nominee(s) in the same manner as herein before required for the Committee’s nominees and shall be filed with the Cooperative or any officer thereof not less than forty-five (45) days prior to the meeting; and the Secretary shall post such nominations at the same place where the list of nominations made by the Committee is posted. The Secretary shall mail to the members with the notice of the meeting, or separately, but at least ten (10) days before the date of the meeting if mailed first class, or twenty (20) days if otherwise mailed, a statement of the names and addresses of all nominee(s) for each Directorate District from or with respect to which a director is to be or may be elected, identifying separately those nominated by the committee and those nominated by petition, if any. Nominations so made by the committee or by petition shall be printed on the official ballot. Any later nominations by petitions shall be treated as nominations from the floor. The chairman at such meeting, after all nominations so made have been duly announced, shall call for additional nominations from the floor, and shall ascertain and announce, after any nominations made from the floor, the particular Directorate District from or with respect to which any additional persons have been nominated.
The member so making a nomination or nominations shall designate the particular District or Districts for which the nomination is made and the one or more nominees against whom the nominee will run. Notwithstanding the provisions contained in this Section, failure to comply with any of such provisions shall not affect in any manner whatsoever the validity of any action taken by the Board of Directors after the election of directors.

(b) Supplementary to the provisions therefore contained in subsection (a) of this Section 4.06, the Board of Directors shall by policy establish and cause timely and duly to be implemented reasonable opportunity for a nominee for director to communicate to the members concerning their qualifications and the reasons for their candidacy, a reasonable opportunity to solicit votes for their election and a reasonable opportunity for the members to choose among the nominees.

SECTION 4.07. Voting for Directors; Validity of Board of Directors’ Action. In the election of directors, each member shall be entitled to cast the number of votes (but not cumulatively) which corresponds to the total number of directors to be elected, but no member may vote for more nominees than the number of directors to be elected from or with respect to any particular Directorate District. Ballots marked in violation of the foregoing restrictions with respect to one or more Directorate Districts shall be invalid and shall not be counted with respect to such District or Districts. Notwithstanding the provisions contained in this Section, failure to comply with any of such provisions shall not affect in any manner whatsoever the validity of any action taken by the Board of Directors after the election of directors.

SECTION 4.08. Removal of Directors by Members; Declaration of Vacancy by Board of Directors. (a) Any ten (10) or more members may bring one or more charges, for or without cause, against any one or more directors and may request the removal of such director(s) by reason thereof by filing with the Secretary such charge(s) in writing, together with (1) a petition signed by not less than five (5%) percent of the then-total members of the Cooperative, which petition calls for a special member meeting the stated purpose of which shall be to hear and act upon such charge(s) and, if one or more directors are recalled, to elect their successor(s), and which specifies the place, time and date thereof not sooner than thirty-five (35) days after the filing of such petition, or (2) a written request that the matter be acted upon at the subsequent annual member meeting if such meeting will be held no sooner than thirty-five (35) or more than ninety (90) days after the filing of such petition, or (2) a written request that the matter be acted upon at the subsequent annual member meeting if such meeting will be held no sooner than thirty-five (35) or more than ninety (90) days after the filing of such request. Each page of the petition or request shall, in the forepart thereof, state the name(s) and address(es) of the member(s) filing such charge(s), a verbatim statement of such charge(s) and the name(s) of the director(s) against whom such charge(s) is (are) being made. The petition or request shall be signed by each member in the same name as they are billed by the Cooperative and shall state the signatory’s address as the same appears on such billings. Notice of such charge(s) verbatim, of the director(s) against whom the charge(s) have been made, of the member(s) filing the charge(s) and of the fact that the requested removal(s) shall be acted on at the meeting shall be contained in the notice of the meeting, or separately noticed to the members not less than ten (10) days prior to the member meeting at which the matter will be acted upon, if mailed first class, or twenty (20) days if otherwise mailed. Such director(s) shall be informed in writing of the charges after they have been validly filed and at least twenty-five (25) days prior to the meeting of the members at which the charges are to be considered, and shall have an opportunity at the meeting to be heard in person, by witnesses, by counsel, or any combination of such, to present evidence in respect of the charge(s), and shall be heard last; and the member(s) bringing the charge(s) shall have the same opportunity, but shall be heard first. The question of the removal of such director(s) shall, separately for each if more than one has been charged, be considered and voted upon at the meeting of the members, and any vacancy created by such removal shall be filled by vote of the members at such meeting without compliance with the foregoing provisions of these Bylaws with respect to nominations, except that nominations shall be made from the floor. The affirmative votes of a majority of the members present shall be required to elect a successor to fill such vacancy. A newly elected director shall be from or with respect to the same Directorate District as was the director whose office they succeed and shall serve the unexpired portion of the removed director’s term.

(b) In addition to the Board of Director’s removal powers and the automatic vacancy of a director’s office provided for in Section 4.02, the Board of Directors may declare vacant the office of a director who has been declared of unsound mind by a final order of court or convicted of a felony.

SECTION 4.09. Vacancies. Subject to the provisions of these Bylaws with respect to the filling of vacancies caused by the removal of directors by the members, a vacancy occurring in the Board of Directors shall be filled by the Board of Directors. A director thus elected shall serve out the unexpired term of the director whose office was originally vacated and until their successor is elected and qualified; PROVIDED, such new director shall be from or with respect to the same Directorate District as was the director whose office was vacated.

SECTION 4.10. Compensation; Expenses. Directors shall, receive on a per diem basis a fixed fee for attending the meetings of the Board of Directors and when such has been approved by the Board of Directors, for otherwise performing their duties. The fee shall be set by the Credentials and Election Committee in 2017 using the National Rural Electric Cooperative
Association’s (NRECA) annual survey of Director Compensation, or comparable document, and will be set as the average compensation of cooperatives in NRECA’s Region IX (or its appropriate successor). The compensation shall adjust at the beginning of the year and be raised or lowered by the percentage published Consumer Price Index (CPI-U) from the previous year. The Board may, at its discretion, but at no less than five (5)-year increments, ask for the Credentials and Election Committee to review the data and adjust the fee as appropriate and in line with the average compensation for the region as previously stated. Directors shall also receive advancement of reimbursement of any travel and out-of-pocket expenses actually, necessarily and reasonably incurred, and for which they shall have and present proper documentation, in performing their duties. No close relative of a director shall be employed by the Cooperative and no director shall receive compensation for serving the Cooperative in any other capacity, unless the employment of such relative or the service of such director is temporary and shall be specifically authorized by a vote of the Board of Directors upon its determination that such was an emergency measure; PROVIDED, a director who is also an officer of the Board of Directors, and who as such officer performs regular or periodic duties of a substantial nature for the Cooperative in its fiscal affairs, may be compensated in such amount as shall be fixed and authorized in advance of such service by the unanimous vote of the remaining directors; AND PROVIDED FURTHER, an employee shall not lose eligibility to continue in the employment of the Cooperative if they become a close relative of a director because of a marriage or adoption to which they were not a party.

SECTION 4.11. Policies, Rules, Regulations, Rate Schedules and Contracts. The Board of Directors shall have power to make, adopt, amend, abolish and promulgate such policies, rules, regulations, rate classifications, rate schedules, contracts, security deposits and any other types of deposits, payments or charges, including contributions in aid of construction, not inconsistent with law or the Articles of Incorporation or these Bylaws, as it may deem advisable for the management, administration and regulation of the business and affairs of the Cooperative.

SECTION 4.12. Accounting System and Reports. The Board of Directors shall also, after the close of each fiscal year, cause to be made a full, complete and independent audit of the accounts, books and records reflecting financial operations during, and financial condition of the Cooperative as of the end of, such fiscal year. Whether in final audited form or not, each year the Board of Directors shall cause an annual report to be prepared within one hundred twenty (120) days after the close of, and covering, the preceding fiscal year. Such report shall include a balance sheet as of the end of, and an income statement and related statement of change of financial position for, such fiscal year, together with a statement of the place where the names and addresses of the current members are located. The report shall also include a statement of transactions or indemnifications, if any, required to be furnished to members by California Corporations Code Section 8322. If upon initial preparation such report has not yet been audited, an officer of the Cooperative shall so certify as a part of the report. Each year the Board shall timely notify all members of their right to receive such report if they so request in writing, and shall furnish the same to any member so requesting. A summary of such reports shall be submitted to the members at or prior to the following annual member meeting. The Board of Directors may authorize special audits, complete or partial, at any time and for any specified period of time.

SECTION 4.13. “Close Relative” Defined and Limited in Application. As used in these Bylaws, “close relative” means a person who, by blood or in law, including step, half, foster and adoptive kin, is either a spouse, child, grandchild, parent, grandparent, brother, sister, aunt, uncle, nephew or niece of the principal. Notwithstanding any other provisions of these Bylaws, no prohibition with respect to close relatives shall affect the right of directors to continue serving and to be eligible for re-election or the right of Cooperative employees to be eligible for continued employment for the reason that two or more such persons were already close relatives prior to the date of the 1988 annual member meeting.

The attendance of a director at any meeting of the Board of Directors shall constitute a waiver of notice of such meeting unless such attendance shall be for the express purpose of protesting in writing the lack of proper notice to them or of objecting to the meeting or its transaction of one or more items of business on other grounds. No notice of any Board of Directors meeting need be given to any director who signed a waiver thereof, or a written consent to its being held, or an approval of the minutes thereof, whether before or after the meeting.

SECTION 8.03. Lost Certificate. In case a certificate is lost, destroyed or mutilated, a new certificate may be issued therefor upon such uniform terms and indemnity to the Cooperative as the Board of Directors may prescribe.
ARTICLE IX
Non-Profit Operation

SECTION 9.01. Interest or Dividends on Capital Prohibited. The Cooperative shall at all times be operated on a Cooperative non-profit basis for the mutual benefit of its patrons. No interest or dividends shall be paid or payable by the Cooperative on any capital furnished by its patrons.

SECTION 9.02. Patronage Capital in Connection with Furnishing Electric Energy. In the furnishing of electric energy the Cooperative’s operations shall be so conducted that all patrons, members and non-members alike, will, through their patronage, furnish capital for the Cooperative. In order to induce patronage and to assure that the Cooperative will operate on a non-profit basis, the Cooperative is obligated to account on a patronage basis to all its patrons, members and non-members alike, for all amounts received and receivable from the furnishing of electric energy in excess of operating costs and expenses properly chargeable against the furnishing of electric energy. All such amounts in excess of operating costs and expenses at the moment of receipt by the Cooperative are received with the understanding that they are furnished by the patrons, members and non-members alike, as capital. The Cooperative is obligated to pay by credits to a capital account for each patron all such amounts in excess of operating costs and expenses. The books and records of the Cooperative shall be set up and kept in such a manner that at the end of each fiscal year the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to their capital account, and the Cooperative shall within a reasonable time after the close of the fiscal year notify each patron of the amount of capital so credited to their account; PROVIDED, individual notices of such amounts furnished by each patron shall not be required if the Cooperative notifies all patrons of the aggregate amount of such excess and provides a clear explanation of how each patron may compute and determine for themselves the specific amount of capital so credited to them. All such amounts credited to the capital account of any patron shall have the same status as though they had been paid to the patron in cash in pursuance of a legal obligation to do so and the patron had then furnished the Cooperative corresponding amounts for capital.

All other amounts received by the Cooperative from its operations in excess of costs and expenses shall, insofar as permitted by law, be (a) used to offset any losses incurred during the current or any prior fiscal year and (b) to the extent not needed for that purpose, allocated to its patrons on a patronage basis, and any amount so allocated shall be included as a part of the capital credited to the accounts of patrons, as herein provided.

In the event of dissolution or liquidation of the Cooperative, after all outstanding indebtedness of the Cooperative shall have been paid, outstanding capital credits shall be retired without priority on a pro rata basis before any payments are made on account of property rights of members; PROVIDED, insofar as gains may at that time be realized from the sale of any appreciated asset, such gains shall be distributed to all persons who were patrons during the period the asset was owned by the Cooperative in proportion to the amount of business done by such patrons during that period insofar as is practicable, as determined by the Board of Directors, before any payments are made on account of property rights of members. If, at any time prior to dissolution or liquidation, the Board of Directors shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital then credited to patrons’ accounts may be retired in full or in part. The Board of Directors shall determine the method, basis, priority and order of making such retirements, if any, for all amounts hereetofore and hereafter furnished as capital; PROVIDED, the Board of Directors shall have the power to adopt rules providing for the separate retirement of that portion (“power supply or other service or supply portion”) of capital credited to the accounts of patrons which corresponds to capital credited to the account of the Cooperative by an organization furnishing power supply or any other service or supply to the Cooperative. Such rules shall (a) establish a method for determining the portion of such capital credited to each patron for each applicable fiscal year, (b) provide for separate identification on the Cooperative’s books of such portions of capital credited to the Cooperative’s patrons, (c) provide for appropriate notifications to patrons with respect to such portions of capital credited to their accounts and (d) preclude a general retirement of such portions of capital credited to patrons for any fiscal year prior to the general retirement of other capital credited to patrons for the same year or of any capital credited to patrons for any prior fiscal year.

Capital credited to the account of each patron shall be assignable only on the books of the Cooperative pursuant to written instructions from the assignor and only to successors in interest or successors in occupancy in all or any part of such patron’s premises served by the Cooperative, unless the Board of Directors, acting under policies of general application, shall determine otherwise.

Notwithstanding any other provisions of these Bylaws, the Board of Directors, “at its discretion, shall have the power at any time upon the death of any patron, who was a natural person or if as so provided for in the preceding paragraph, upon the death of an assignee of the capital credits of a patron, which assignee was a natural person, if the legal representatives of their estate shall request in writing that the capital credited to such patron be retired prior to the time such capital would otherwise be retired under the provisions of the Bylaws, to retire such capital immediately upon such terms and conditions as the Board, of Directors, acting under policies of general application, to situations of like kind, and the legal representatives of such patron’s estate shall agree upon; PROVIDED, however, the financial
condition of the Cooperative will not be impaired thereby.

The Cooperative, before retiring any capital credited to any patron’s account, shall deduct therefrom any amount owing by such patron to the Cooperative, together with interest thereon at the California legal rate on judgments in effect when such amount became overdue, compounded annually.

The patrons of the Cooperative, by dealing with the Cooperative, acknowledge that the terms and provisions of the Articles of Incorporation and Bylaws shall constitute and be a contract between the Cooperative and each patron, and both the Cooperative and the patrons are bound by such contract, as fully as though each patron had individually signed a separate instrument containing such terms and provisions. The provisions of this Article of the Bylaws shall be called to the attention of each patron of the Cooperative by posting in a conspicuous place in the Cooperative’s offices.

ARTICLE X
Waiver of Notice

Any member may waive, in writing, any notice of meetings required to be given by these Bylaws. The attendance of a member at any meeting shall constitute a waiver of notice of such meeting by such member, except in case a member shall attend a meeting for the express purpose of objecting to the transaction of any business, or one or more items of business, on the grounds that the meeting has not been lawfully called or convened. Any member attending any meeting for the purpose of making such objection shall, in writing, notify the Secretary prior to or at the beginning of the meeting of their objection.

ARTICLE XI
Disposition and Pledging of Property; Distribution of Surplus Assets
On Dissolution; Escheat

SECTION 11.01. Disposition and Pledging of Property.

a) Not inconsistently with California Corporations Code Sections 7910 and 7911 and subsection (b) hereof, the Cooperative may authorize the sale, lease, lease-sale, exchange, conveyance, transfer or other disposition of all or substantially all of the Cooperative’s properties and assets only upon the affirmative votes of three-fourths (3/4) of the then-total members of the Cooperative at the duly held meeting of the members. However, the Board of Directors shall have full power and authority (1) to borrow monies from any source and in such amounts as the Board of Directors may from time to time determine; (2) to mortgage or otherwise pledge or encumber any or all of the Cooperative’s properties or assets as security therefore; and (3) sell, lease, lease-sale, exchange, convey, transfer or otherwise dispose of merchandise and property no longer necessary or useful for the operation of the Cooperative.

b) Supplementary to the first sentence of the foregoing subsection (a) and any other applicable provisions of law or these Bylaws, no sale, lease, lease-sale, exchange, conveyance, transfer or other disposition of all or substantially all of the Cooperative’s properties and assets shall be authorized unless the Board of Directors shall have recommended such to the members in conformity with the following:

1) The Board of Directors shall first appoint three persons each of whom or which is independent of the Cooperative and of the other two and each being expert in electric utility property evaluations, and commission them, separately, to study, appraise and evaluate such assets and properties, including their going concern value and the values associated with the right of the members to participate in the ownership and control of the Cooperative. Such appraisers shall be instructed to and shall take into account any other factors they may deem relevant in determining the present market value of such assets and properties. Within not more than sixty (60) days after their appointment and commission, each appraiser shall render their or its highest determination of such present value. The Board of Directors shall not recommend and submit for member approval any plan to sell, lease, lease-sell, exchange, convey, transfer or otherwise dispose of such assets and properties for a consideration that is less than the highest such determination rendered by the appraisers; nor shall it, following the expiration of one (1) year after receipt of the appraisers’ reports, make such a recommendation and submittal without, again, first complying with the foregoing requirements.

2) If, after receiving such appraisals, the Board of Directors resolves to pursue the matter further, it shall, within sixty (60) days after such resolution, transmit the appraisals, together with any underlying data and information that may have accompanied them, to every other electric cooperative corporately sited and operating in California or Nevada and invite it to submit competing or alternative proposals, including proposals to merge or consolidate with the Cooperative. Such appraisals shall also be accompanied by any proposal for such a sale, lease, lease-sale, exchange, conveyance, transfer of other disposition received subsequent thereto but prior to the adoption of such resolution; PROVIDED, only the most recent proposal from a person that has made two or more proposals need be so transmitted. Such other cooperatives shall be given at least sixty (60) days within which to submit competing or alternative proposals, and they shall be notified in such transmittal of the actual final date for such submissions.
3) If, after such date, the Board of directors so resolves, it shall recommend and submit to the members (1) a proposal for such a sale, lease, lease-sale, exchange, conveyance, transfer or other disposition or (2) a proposal to merge or consolidate the Cooperative with one or more other electric cooperatives, but shall accompany the proposals it has received, together with all of the appraisals. The Board of Directors shall submit such recommendation and information to the members and shall at the same time call and give notice of a special meeting of the members thereon or, if it so determines, notify the members that the matter will be considered and acted upon at the ensuing annual member meeting, in any event stating in detail each of any such proposals. The special or annual meeting shall be held not less than ninety (90) days after the giving of such notice thereof.

4) Any two hundred (200) or more members of the Cooperative, over their respective signatures and within not less than forty-five (45) days prior to the date of such member meeting, petition the Cooperative to mail to all of the Cooperative’s members any statement of opposition to the Board of Directors’ recommendation and/or of their own recommendation that a competing or alternative proposal, which may be or include a proposition to merge or consolidate the Cooperative with one or more other electric cooperatives, be submitted to and acted upon by the members at such meeting, in which event the Board of Directors shall cause a printed copy of the petition, including the printing of the names of the member signatories thereof, together with a printed copy of the statement, to be transmitted to all of the Cooperative’s members via the United States mail not less than twenty-five (25) days prior to such member meeting, with the cost of such printing and mailing to be borne by the Cooperative. When so mailed, such petition and statement shall constitute sufficient notice of any such competing or alternative proposal for the same to be considered and acted upon at such meeting, but not until if and after the proposal recommended by the Board of Directors shall have first been considered and rejected by vote of the members.

5) If, as provided for in Section 3.05, the Board of Directors authorizes its own recommendation to be voted upon by mail or some other written balloting whereby members may vote without being present in person at a member meeting, it shall authorize the same method of voting with respect to any alternative or competing recommendations submitted to the members pursuant to subsection (b) foregoing.

The provisions of this subsection (b) shall not apply to a sale, exchange, conveyance or transfer if such is in the nature of a forced sale for the reason that the purchaser possesses and otherwise would exercise the legal right to acquire, damage, relocate or destroy such property by condemnation or otherwise without the Cooperative’s consent.

c) No offer to purchase or lease-purchase and no offer to sell, lease, lease-sell, exchange, convey, transfer or otherwise dispose of all or substantially all of the Cooperative’s assets and properties shall be valid or, if made and accepted, enforceable unless the total consideration to be paid or otherwise furnished therefore, to the extent that the same is in excess of the amounts necessary to discharge or to provide for the discharge of the Cooperative’s liabilities, shall be distributed to, or, if such be the case, allocated and assigned to, the patrons or former patrons of the Cooperative in the manner provided for in the Articles of Incorporation, Bylaws or applicable law.

SECTION 11.02. Distribution of Surplus Assets on Dissolution.
Consistently with Chapter 16, Part 3, Nonprofit Mutual Benefit Corporations, California Corporations Code, as may from time to time be amended, upon the Cooperative’s voluntary dissolution, any assets remaining after all its liabilities or obligations have been satisfied and discharged, or adequate provision therefore has been made, shall, to the extent practicable as determined by the Board of Directors and not inconsistently with the provisions of the third paragraph of Section 9.02 of these Bylaws, be distributed without priority among all persons who are or who have been members of the Cooperative since its inception, on the basis that their respective patronage bears to the Cooperative’s total patronage during the period determined practicable by the Board of Directors; PROVIDED, HOWEVER, if in the judgment of the Board of Directors the amount of such surplus is too small to justify the expense of making such distribution, the Board of Directors may, in lieu thereof, donate, or provide for the donation of, such surplus to one or more nonprofit charitable or educational organizations that are exempt from Federal income taxation.

SECTION 11.03.
Neither the General Manager nor any member of the Board of Directors of the Cooperative shall be eligible to receive benefits or continued compensation as part of an agreement for sale of the Cooperative to an investor-owned utility.

b. If a member cannot be located for a period of two (2) years as evidenced by the return of their mail and by no record of business transacted at the
Cooperative, then thereafter the Cooperative shall do the following:
c. The Cooperative shall place that member on inactive status, and
d. The Cooperative shall give to the affected member at least one hundred twenty (120) days prior notice of the Cooperative’s proposed transfer date of the proprietary interest to the Cooperative. Notice shall be provided by first or second class mail to the last address of the member shown in the corporation records and by publication in the newspaper of general circulation in the county in which the Cooperative has its principal office, namely, Plumas County, and in addition, in the county in which the member received service. Notice given in the foregoing manner shall be deemed actual notice.
e. No proprietary interest shall become the property of the corporation if written notice objecting thereto is received by the corporation from the affected member prior to the date of the proposed transfer. If there is no objection to the transfer of the proprietary interest from the member to the corporation, then said proprietary interest shall become the property of the corporation on the transfer date, which shall be at least one hundred twenty (120) days from date of notice.
f. A proprietary interest shall mean and include any membership, membership certificate, membership share, share certificate or any share certificate of any class representing a proprietary interest in and issued by the corporation together with all accrued and unpaid dividends and patronage distributions relating thereto.
g. This Bylaw is intended to be retroactive so as to affect all the members’ proprietary interest in the Cooperative.

ARTICLE XII
Rules of Order

Parliamentary procedure at all meetings of the members, of the Board of Directors, of any committee provided for in these Bylaws and of any other committee of the members or Board of Directors which may from time to time be duly established shall be governed by the most recent edition of Robert’s Rules of Order, except to the extent such procedure is otherwise determined by law or by the Cooperative’s Articles of Incorporation or Bylaws. This Article shall be subordinate to any other provision of these Bylaws pertaining to the votes required for action by members, directors or committees.

ARTICLE XIII

The Cooperative seal shall have inscribed thereon the words “Plumas-Sierra Rural Electric Cooperative – Incorporated August 10, 1937 California.”

Provided the notice of such meeting shall have been sent to each and every member and shall have contained a copy of the proposed alteration, amendment or repeal. PROVIDED, both the Board of Directors and the members may change any Bylaw, if as established by the law, such Bylaw is illegal or has become a legal nullity. The Board of Directors shall notify the members of any changes that have been adopted, within 60 days after their adoption by the members.

SECTION 14.02. Procedure for Amending. A Bylaw may be changed only if (1) a copy or an accurate summary explanation of the proposed change is contained in or with the notice of the member or Board meeting at which it is to be acted upon; and (2) if to be acted upon by the members, it is sponsored by the Board of Directors or at least fifty (50) members who over their signatures file with the Cooperative a petition, proposing such change and setting forth with particularly the wording thereof and the time that the change is to become effective, at least forty-five (45) days prior to the date of the member meeting at which such change will be acted upon; PROVIDED, if the Cooperative is presented with a written request by one or more but less than fifty (50) members that a Bylaw change be noticed to and acted upon by the members, and if the request sets forth with particularly the wording of the proposed change and the time that change is to become effective, the Board of Directors may, but shall not be obliged to, waive the foregoing petition requirement and cause such proposed change to be noticed and acted upon; PROVIDED FURTHER, the Board of Directors shall not cause any proposed Bylaw change to be noticed or acted upon, or permit any amendment to a proposed Bylaw change to be acted upon, if it determines that such, if adopted, would be illegal or a legal nullity.
